The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Concrete High School Heating System Replacement and Infrastructure Upgrade project in Fiscal Year 2027. The entity to receive funding for this project is Concrete School District #11, located at 35789 Airport Way, Concrete, WA 98237. The funding would be used to replace a failing oil-fired boiler system with modern electric heat pump boilers, upgraded electrical infrastructure and backup power generation. This project is an appropriate use of taxpayer funds because it will ensure reliable heating and support emergency response and temporary sheltering capability for east Skagit County.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rick Larsen
U.S. Representative
