Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Everett Point Industrial Center (EPIC) Green Bridge project in fiscal year 2024. The entity to receive funding for this project is the City of Everett, located at 2930 Wetmore Avenue, Everett, WA, 98201. This funding would be used for pre-construction costs for a two-lane bridge with bike lanes and pedestrian walkways. The project is an appropriate use of taxpayer funds because it will open an underdeveloped site for significant economic development and remove a safety risk caused by train crossings making the land inaccessible to current tenants.

This project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rick Larsen
U.S. Representative
