The Honorable Rosa DeLauro
Ranking Member

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Traffic and Pedestrian Safety Improvements at Everett Historic District Broadway Corridor Improvements project in Fiscal Year 2027. The entity to receive funding for this project is the City of Everett, located at 2930 Wetmore Avenue, Everett, WA 98201. The funding would be used to design, engineer and construct traffic and pedestrian safety improvements along Broadway Avenue. This project is an appropriate use of taxpayer funds because the Broadway corridor is one of the highest traffic and pedestrian incident corridors in the city, and this will significantly reduce the risk of accidents.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rick Larsen
U.S. Representative
