The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations

Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Oak Harbor Inflow and Infiltration (I&I) Correction Program project in fiscal year 2023.

The entity to receive funding for this project is the City of Oak Harbor, located at 865 SE Barrington Dr., Oak Harbor, WA, 98277.

The funding would be used to correct issues of inflow and infiltration in older areas of the city's wastewater collection system including a large collection of low-income housing.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Rick Larsen  
U.S. Representative  
Washington State, Second District
