The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
H-307, U.S. Capitol

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Channel Drive Waterline project in Fiscal Year 2027. The entity to receive funding for this project is the Town of La Conner, located at 204 Douglas St. La Conner, WA 98257. The funding would be used to replace a failing waterline. This project is an appropriate use of taxpayer funds because it will provide clean drinking water for nearly 100 residents, as well as an adequate supply of water for fire protection needs.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act. 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rick Larsen
