The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
H-307, U.S. Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Pepin Flood, Agriculture, Salmon and Safety Transportation Project in fiscal year 2025. The entity to receive funding for this project is the City of Lynden, located at 300 4th St, Lynden, WA 98264. The funding would support design, engineering, permitting and construction of the Pepin Parkway Bridge project. This project is an appropriate use of taxpayer funds because it will help lower the risk of flooding, protect agricultural land, enhance salmon runs and provide a safer multimodal transportation system.

This project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rick Larsen
U.S. Representative
