The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Orcas Landing Marine Facility Improvements project in Fiscal Year 2027. The entity to receive funding for this project is San Juan County, located at 1609 Beaverton Valley Road, Friday Harbor, WA 98250. The funding would be used to replace a structurally deficient public dock. This project is an appropriate use of taxpayer funds because community members rely on this facility for transient moorage to conduct essential business and receive services on rural Orcas Island, and this facility is a vital transportation link including to Washington State Ferries for many residents who live on neighboring islands that do not have ferry service.

The project has a federal nexus because the funding provided is for purposes authorized by 46 USC 54301.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rick Larsen
