The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Scriber Creek Trail Redevelopment Phase 3 project in fiscal year 2024. The entity to receive funding for this project is the City of Lynnwood, located at 19100 44th Ave W, Lynnwood, WA, 98036. This funding would provide a multi-modal trail that connects pedestrians and bicyclists with the Lynnwood Transit Center. The project is an appropriate use of taxpayer funds because the current trail is often inaccessible due to flooding, and there will soon be a large increase of people traveling to the Lynnwood Transit Center and the future Lynnwood Link light rail station, which will dramatically increase the number of people traveling by transit.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rick Larsen
U.S. Representative
