The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
H-307, U.S. Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Everett Intermodal Yard and Curve Improvements project in fiscal year 2026. The entity to receive funding for this project is Snohomish County, located at 3000 Rockefeller Avenue, Everett, WA 98201. The funding would support preliminary engineering and environmental compliance work to improve rail shipping capability, safety, and reliability for freight and intercity passenger service. This project is an appropriate use of taxpayer funds because it will improve rail service for both freight trains and passenger service through Amtrak Cascades.

The project has a federal nexus because the funding provided is for purposes authorized by section 22907 of title 49 of the United States code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rick Larsen
U.S. Representative
