Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Expansion and Renovation of Fire Hall project in Fiscal Year 2027. The entity to receive funding for this project is Whatcom County Fire District No. 5, located at 2030 Benson Road, Point Roberts, WA, 98281. The funding would be used to construct a 3,680 square foot addition to house new vehicles and equipment, enhance training capabilities, revamp space for medical and health care providers and provide dorm space for volunteers. This project is an appropriate use of taxpayer funds because the current fire hall lacks the space, functionalities and standards needed to ensure that the fire district can respond to public safety hazards effectively.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rick Larsen
U.S. Representative
Washington State, Second District
