The Honorable Rick Larsen  
107 Cannon House Office Building  
Washington, D.C. 20510

Dear Congressman Larsen;

We were delighted to hear the great news about funding for both the Skagit River General Investigation for \$700,000 and the Swinomish Channel funding of \$2.277 million for full dredging. This is very exciting news for Skagit County.

We appreciate your dedicated support for completing the General Investigation. This funding is a real shot in the arm to finish the study and build a project. We appreciate your dedication and the efforts of Adam LeMieux to help bring our community together working for public safety and protection of critical infrastructure.

The funding of the dredging for Swinomish Channel is a vital economic driver for Skagit County. Our entire community will benefit from your efforts.

Thanks again. This is great news.

Sincerely,

**BOARD OF COUNTY COMMISSIONERS
