The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Bradley Road Safety Improvements project in fiscal year 2024. The entity to receive funding for this project is the City of Lynden, located at 300 4th St, Lynden, WA, 98264. This funding would be used to support construction of safety improvements and multimodal access on an increasingly busy road connecting the City's high school campus and a new middle school campus. The project is an appropriate use of taxpayer funds because it improves safety for pedestrians, vehicles, and bicyclists traveling between the schools and rapidly growing surrounding neighborhoods.

This project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rick Larsen
U.S. Representative
