The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Concrete Sauk Valley Road Bank Stabilization (Milepost 3.7) project in fiscal year 2024. The entity to receive funding for this project is Skagit County, located at 1800 Continental Place, Mount Vernon, WA, 98273. This funding would be used to support design and construction stabilizing a rural road along the Skagit River that serves as an important connector and alternate route for two major state highways in northwest Washington state. The project is an appropriate use of taxpayer funds because it will reduce the risk of closure of this road, which is a vital access route for emergency services, residents, and businesses in this rural region.

This project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rick Larsen
U.S. Representative
