The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the North Portwalk and Seawall Reconstruction Phase 2 Project in fiscal year 2025. The entity to receive funding for this project is the Port of Edmonds, located at 471 Admiral Way, Edmonds, WA 98020. The funding would support demolition of the old administration building and electrical upgrades. This project is an appropriate use of taxpayer funds because it will improve public access to the waterfront and help the port move towards replacing a failing seawall that protects the City of Edmonds.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rick Larsen
