The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
H-307, U.S. Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Zero Emission Buses for Fleet Transition project in fiscal year 2025. The entity to receive funding for this project is Community Transit, located at 2312 W. Casino Road, Everett, WA 98204. The funding would be used to purchase 3 battery electric buses with chargers that will replace aging diesel buses. This project is an appropriate use of taxpayer funds because it will protect the environment and provide reliable transit options for constituents.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rick Larsen
U.S. Representative
